Understood Better Each Day

The most successful business plan is the one who knows every detail of his business and does not depend upon a pull for his success. Each day this is better understood. In no business is a detailed knowledge more essential than in the Building Trade. If you want an estimate on any work in my line, I'll be pleased to give you the benefit of my many years experience. REBEKAHS.

Mr. and Mrs. R. B. Worthington, Mrs. Margaret Hart, Mrs. Minnie Amburn, Mrs. Ada M. Revel and Mrs. Anna Perry were the hope lodge members who attended the session of the grand lodge of Rebekahs in New Haven on Wednesday.

At its meeting last Wednesday night Hope lodge, No. 21, received one application and voted on one so that it will have work in initiation at its next regular meeting. The lodge will hold a special whist evening next Wednesday in Odd Fellows' hall.

A well attended and enjoyable meeting of Thames lodge, No. 326, N. E. O. P., was held Tuesday evening in Foresters' hall. The lodge will hold an interesting report of the proceedings.

ORDER OF PROTECTION.

The members were much interested in the remarks made by the newly elected grand trustee, E. M. Newberry, who was present and also those of Deputy Master, William Kingdon. Robert Small, Past Grand Chaplain, Emily R. Kingdon and M. J. Foley of Thames lodge, who had been elected, a supreme representative. Near the close of the meeting Brother M. J. Curran was called on for remarks and in a resume of the progress made by Thames lodge in the last few years told of the work done by the deputy, William Kingdon, and said that every member of the lodge held him in the highest esteem, and as an evidence of this fact he wished at this time to present him a slight token and he then presented a silver mounted tablet, suitably engraved. Brother Kingdon was completely taken by surprise, but after a short time responded and in his usual happy style he thanked the members and said that his work as a deputy among them had been a pleasure, as it had been the means of forming so many ties of friendship which he hoped would never be broken.

After the meeting a social time was held and everyone present thoroughly enjoyed themselves. An invitation was received from Elmer Jewett lodge of Jewett City to attend their anniversary on Friday evening, April 30, and it is expected that about 20 members will go up. Owing to the large increase in membership last year in this state in the New England Order of Protection, Connecticut is entitled to 13 representatives in the supreme council, a gain of two over last year, as shown by the grand secretary's report at the recent grand lodge meeting.

Three new lodges had been instituted during the year, while one had transferred to another, making a gain of two lodges for the year, the present number being 35 lodges with a membership of 14,385, a net gain for the year of 24, 64 of the 85 lodges having made a gain, 17 a loss and four made neither loss nor gain.

The prizes offered during this year were won as follows: First prize for numerical gain in benefit members, won by Capitol, with a net gain of 61. Valley won second with a net gain of 59. Electric was third with a net gain of 55. Natchaug of Willimantic won first prize for making the largest percentage gain, 152 members, 152 per cent. Haskell second with a gain of 48 per cent, and P. C. Lonsbury third with a gain of 37 per cent. Brother Lyman Maine, Jr., of Willimantic won the gold watch, 67 members; Brother J. S. Nell of Mattatuck won the chain and charm, 57 members.

Grand Secretary Wall reported that the gain for the calendar year, 1908, was 798, divided as follows: One-half rate 258, first rate 513, second rate 27, social nine. There was a loss in third rate members of 59. There were 8,331 males and 5,498 females, while the general funds was \$29,706.27, an increase of \$3,924.48. While the membership had made a net gain of 924 for the year there had been but 114 deaths as against 124 for the previous year, and the amount paid to the beneficiaries of the deceased members was \$196,559.50.

There is more Catarrh in this section of the country than all other diseases.

For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, C. O. Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surface of the system. They offer one hundred dollars for any case it fails to cure. Address F. J. CENEY & CO., Toledo, Ohio.

Sold by Druggists, 75c.

Take Hall's Family Pills for constipation.

We often wonder how any person can be persuaded into taking anything but Foley's Honey and Tar for coughs, colds and lung trouble. Do not be fooled into accepting "own make" or other substitutes. The genuine contains no harmful drugs and is in a yet-low package. Lee & Osgood Co.
